***Gift Aid Declaration:** By initialing the box above, I declare that I want The Cirdan Sailing Trust to treat my voluntary contribution and Membership Fee as a Gift Aid donation. I pay income tax or capital gains tax at least equal to the tax to be reclaimed by the charity (currently 25p for each £1 donated)

Voluntary contributions are of enormous value to us and will be used for our Voyage of Discovery Fund

The Cirdan Sailing Trust was founded in 1983 as a charity to provide disadvantaged young people with the opportunity to benefit from the experience of living and working on large sailing vessels. In 2002, The Trust joined forces with The Faramir Trust, a sister sailing charity, to reduce costs and to provide a wider geographical basis of operation. The Trust is now a Charitable Company Limited by Guarantee and anyone who wishes to support the aims of the Trust can become a Member.

We are keen to attract as many people as possible to become Members. Each subscription will assist The Trust in continuing its valuable work and any additional voluntary contributions will be used to fund our Voyage Bursary Fund to provide financial assistance to young and disadvantaged people undertaking a voyage on one of The Trust's vessels.

Members will receive a copy of any Newsletters with details of the season's activities, projects and plans plus any additional information considered to be relevant to their interests. Throughout the season a number a day sails and longer voyages may be scheduled to which Members and their guests will be invited at a concessionary rate. Members are welcome to visit vessels when in port with the permission of the Skipper and charter group.

We hope you will want to support our work and become a Member; an application form for which is overleaf. The Trustees have set the annual subscription at £10. The Application form has been designed to allow for any Additional Voluntary Contribution you should wish to make. Both your membership fee and any voluntary contribution are eligible for Gift Aid which allows The Trust to increase the value of your payment by claiming back the tax. This does not affect your own tax situation and is at no extra cost to you. A Gift Aid declaration box facility is included on the form.

We thank you for your support.
